additional cameras in the temple.

An official of the temple administration said that unworks in the world famous third corridor of the temple, are nearing completion. The cost of the works was ₹60 pam, Subramania Swamy mandapam and Vinayakar Sanathi at a cost of ₹35 lakh.

Shree, five Shaurya Chakra, 12 gallantry and Tensing Norgay adventure award."

He said that ITBP plays major role in keeping the assist the pilgrims during Kailash Mansarovar Yatra, Anti-Naxal operations in Chattisgarh and also provide training for foreign nationals main duty is to guard the Himalayan borders of the country, which has earned us the name of snow leopard of the Himalayas. The ITBP Kashmir to Jachep La in Arunachal Pradhesh, covering 3,488 km of Indo-China border," IG Ramesh Sharma said.

Variety of crackers that attract children from which toys will come out when they are bursted, showcased at a retailer shop in Sivakasi on Thursday | EXPRESS

Deepavali Double Delight for Children

by Kaushik Kannan

Sivakasi: This year, Deepavali promises to be a double treat for children who can not just enjoy bursting firecrackers now, but can also collect gifts packed inside them. Such varieties of crackers have been introduced in the market by Damo crackers here this year.

The company has taken the initiative to diversify the experience of bursting crackers in a bid to attract children, who can now burst crackers named after their favourite cartoon characters they enjoy watching in televi-

"To enhance the children's enjoyment, this year certain new varieties of crackers have been introduced by the Damo brand of crackers that provide surprise gifts when burst," said V S Sanjeeviee, Managing Director of Damo brand crackers.

He said the company wanted to introduce something new this time along with the normal type of crackers and came up with the idea of including toys within crackers. He then devised plans to design crackers in a way that would catch the attention of children and struck upon using cartoon and mythological characters and named them 'toy crackers.'

"We wanted to ensure that the toys kept inside the crackers are not of normal type and hence we imported the different varieties," said Sanjeeviee. The toy variants include small laser guns, rocket balloons, chakkar balloons, small-sized fake rupee notes, cars, different types of toy guns, stickers of cartoon characters like Chhota Bheem, Ben 10, puzzles, and others, he pointed out.

The toys are carefully packed in plastic covers and are fashioned in such a way that they are not damaged even when the cracker is bursted, he said.

Thursday, police said. Village Administrative Officer Muthu had informed the Rajapalayam North police about illegal sand quarrying at the Madasamykoil irrigation canal. Based on the information, the police reached the spot and found that Karuppiyah (45), Mariappan (46) and Nathan (50) of Rajapalayam were transporting sand illegally in bullock carts. The police arrested the three and seized the bullock carts. Further investigation is on.

In another incident, based on a complaint lodged by VAO Krishnasamy, the Dhalavaipuram police carried out a vehicle inspection in Kamarajapuram bus stop and caught Eshwaran (23) of Kamarajapuram and Balaji (29) of Seithur and seized their tractor. EX
